The Collectors Series of Awards Challenge is to bring you materials, such as K9 Optically Perfect Crystal, Sapphire, Jade and Textured Glass manufactured and crafted into a series of beautiful shapes and cut to reflect the light as only these materials can.

These awards can give your next awards presentation night that extra touch of quality.

Over the last 10 years we have become the leaders in developing, designing and importing these awards. We believe we have the largest range available at the most competitive prices, so far something unique and different look no further than the "Collectors Crystal Series."
